NOTES:

The Government of India, Ministry of Corporate Affairs has allowed conducting Annual General Meeting ("AGM") through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs issued Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 5, 2020 and Circular No. 02/2021 dated January 13, 2021 and Circular No. 21/2021 dated December 14, 2021 and 02/2022 dated May 5, 2022, 10/2022 dated December 28, 2022 and 09/2023 dated September 25, 2023 and 9/2024 dated September 19, 2024 and 03/2025 dated September 22, 2025 ("MCA Circulars") and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and Circular No. SEBI/HO/DDHS/P/CIR/2022/0063 dated May 13, 2022, SEBI/HO/CRD/PoD-2/P/CIR/2023/4 dated January 5, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024, issued by the Securities Exchange Board of India ("SEBI Circular") prescribing the procedures and manner of conducting the Annual General Meeting through VC/OVAM. In terms of the said circulars, the 27th Annual General Meeting ("AGM") of the Members will be held through VC/OAVM. Hence, Members can attend and participate in the AGM through VC/OAVM only. The detailed procedure for participation in the meeting through VC/OAVM is as per notes of this notice and available at the Company's website: www.umaconverter.com.

1. Since this AGM is being held pursuant to the Circulars through VC/OAVM, the physical attendance of members has been dispensed with. Accordingly, the facility for the appointment of proxies by the members will not be available for the AGM and hence, the proxy form, attendance slip and Route Map are not annexed to this notice.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the EGM/AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) the Secretarial Standard on General Meetings (SS-2) issued by the ICSI and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs from time to time the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as e-voting on the date of the AGM will be provided by NSDL.
5. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.umaconverter.com. The Notice can also be accessed from the website of the Stock Exchange i.e. National Stock Exchange of India Limited at www.nseindia.com and the AGM Notice is also available on the website of NSDL i.e. www.evoting.nsdl.com.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW

The Plastic Packaging Industry is a major contributor to the Indian economy. For decades, plastic has played a vital role in industries as diverse as Agriculture, Healthcare, Packaging, Construction, Electronics, Transportation, and Machinery. Plastic's popularity can be attributed to its remarkable properties, such as being lightweight, durable, chemically stable, and the ability to be moulded into various shapes and sizes. Additionally, plastics are also cheap. The domestic plastic sector in the country has done well in recent years, and it has tremendous potential to grow further. The contribution of the plastic sector in making India a developed nation will be unparalleled and invaluable.

COMPANY OVERVIEW

Uma Converter Limited is more than twenty-five years old Company specialising in manufacturing flexible packaging material which is multifunctional and caters to the packaging requirements of various industries. Our products are crafted out of an extensive range of industry approved materials such as polyethylene terephthalate, biaxially-oriented polypropylene, polythene, cast polypropylene, foil, paper, bio-degradable films, etc. Our product portfolio largely consists of multi-colour pouches, stand-up pouches, zip-lock pouches, vacuum pouch, paper bag, e-commerce bag, etc.

Company has commenced its export operations in Unit-I in the year 2006 and in Unit -II in the year 2019. Owing to the consistent efforts of your Company towards quality control and efficient fulfilment of orders, presently company export their finished products to countries such as Saudi Arabia, Australia, Senegal and the United States of America.

Besides, the Company also planning to expand its offset capacity by adding a new Plant and Machineries at Timba Plant. With these capacity additions your company is well poised to manage the higher demand for sustainable packaging solutions which is expected going forward. While continuing to enhance the Company's capacities to capture growth, your company is focused on consolidating and optimally utilizing its facilities.

FINANCIAL PERFORMANCE

In the financial year 2025-26, UMA CONVERTER LIMITED delivered a healthy performance, the turnover of your Company Rs.248.74 Crores against the turnover of Rs. 227.54 Crores of Previous Year 2024-25. Your company is taking all the possible steps to increase the profitability.

SUSTAINABILITY INITIATIVES

UMA CONVERTER LIMITED is wholly committed to be India's leading sustainable packaging Company. UMA CONVERTER LIMITED Team constantly endeavours toward a more sustainable tomorrow with the motto – 'Reuse, Recycle and Upcycle'.

In addition to the sustainable nature of its products, your Company is also investing in making the manufacturing process more sustainable and environment friendly. In order to ensure that our manufacturing operations remain sustainable, we have executed various memorandums of understanding with third parties for collection, segregation, transportation, recycling and disposal of plastic waste. We have also executed a service agreement with Ambuja Cements Limited for disposal of plastic waste in an environmentally friendly manner in the cement kiln process at high temperatures and long residence time, while simultaneously manufacturing cement of desired quality. From reducing energy consumption and waste, to choosing environmentally friendly products, there are many ways to make a difference. For businesses, sustainability can also mean creating products or services that conserve resources or reduce negative environmental impacts. While implementing sustainable practices can seem daunting at first, it's worth taking the time to learn about and incorporate them into your everyday life and work. Packaging is one of the most important factors when it comes to sustainability. Not only does it protect the product, but if done correctly, packaging can be made from recycled materials, reducing waste and bio-based resources. Additionally, well-designed packaging can be reused or even composted. While some sustainable packaging solutions can be more expensive than traditional packaging, the long-term benefits often make them worth the investment.

Sustainable Packaging Products:

We, UMA CONVERTER LIMITED have been pioneering in the innovation of sustainable packaging since a decade and have range of products which have been engineered using Biopolymers & Eco Coatings. We are making Ropes from the Trim wastage of our products.

OPPORTUNITIES

The macroeconomic conditions in India are expected to continue to improve considering the continuation of a stable government in the country. With a diverse geographical presence across India, your Company fulfils the requirements of its customers for flexible packaging giving your Company a competitive advantage. Also, considering optimising some of the unutilised capacity, an improvement in the market scenario will translate into good growth prospects for the coming years.

The Company is now recognised as a leader in its field across segments, and your Company's management is very confident of leveraging its existing relationships

with leading customers, besides entering new customer segments, to continue with high rates of growth as witnessed in the past. The ability to produce recyclable flexible packaging also gives the Company an edge over its competition.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
UMA CONVERTER LIMITED

Report on the audit of Financial Statements

Opinion

We have audited the accompanying Financial Statements of **UMA CONVERTER LIMITED** ("the Company"), which comprise of the Balance Sheet as at March 31, 2026 and the statement of profit and loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
Revenue recognition Company's revenue is derived primarily from sale of goods. Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and there are no longer any unfulfilled performance obligations. The performance obligations in the contracts are fulfilled at the time of dispatch,	In this regard, our audit procedures included: Assessing the appropriateness of the accounting policy for revenue recognition with relevant accounting standards; Evaluating the design and implementation of the Company's key internal financial controls in relation to timing of revenue recognition and tested the

delivery or upon formal customer acceptance depending on customer terms.	operating effectiveness of such controls for selected samples
Inappropriate assessment could lead to risk of revenue being recognized before transfer of control.	Performing detailed testing by selecting samples of revenue transactions recorded during the year and around the year end date using statistical sampling. We assessed fulfilment of performance obligations during the year by verifying the underlying documents. These documents included contract specifying terms of sale, invoices, goods dispatch notes, customer acceptances and shipping documents;
In view of the above and since revenue is a key performance indicator of the Company, we have identified timing of revenue recognition from sale of goods as a key audit matter.	Testing, on a sample basis using specified risk based criteria, journal entries affecting revenue recognised during the year to identify unusual items.
Valuation of Inventories The Company is a plastic packing materials manufacturer and the inventory primarily comprises of plastic, granules, film, paper roll, printed film and pouches. Inventories are valued at lower of cost and net realisable value. The Company maintains its inventory levels based on forecast demand and expected future selling prices. There is a risk of inventories being measured at values which are not representative of the lower of costs and net realisable value ('NRV')	In this regard, our audit procedures included: Assessing the appropriateness of the accounting policy for inventories with relevant accounting standards: Evaluating the design and implementation of the Company's key internal financial controls over valuation of inventories and testing the operating effectiveness of such controls for selected samples;
The Company exercises high degree of judgment in assessing the NRV of the inventories on account of estimation of future market and economic conditions. The carrying value of inventories is material in the context of total assets of the Company. We identified the valuation of inventories as a key audit matter.	Observing the physical verification of inventory on a sample basis. In this regard, we have considered the physical condition of inventory by way of obsolescence or wear and tear, wherever relevant and applicable, in determining the valuation of such inventory. For NRV testing, selecting inventory items, on a sample basis at reporting date and compared their carrying value to their subsequent selling prices as indicated in sales invoices subsequent to the reporting date.

Information other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Directors' Report including the Annexures to the Directors' report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication..

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of the section 143 of the Act, we give in the **Annexure "A"**, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

“Annexure B” to the Independent Auditors’ Report on the Financial Statements of UMA CONVERTER LIMITED.

(Referred to in paragraph 2(A)(f) under “Report on other legal and regulatory requirements” of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **UMA CONVERTER LIMITED** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for the Internal Financial Controls.

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

46 Financial Risk Management

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

(i) Foreign currency risk

The company operates internationally and business is transacted in several currencies.

The export sales of company comprise around 4 % of the total sales of the company, Further the company also imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by appropriately hedging the transactions. The Company uses a derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

The following table summarizes the company's exposure foreign currency risk from financial instruments at the end of each reporting period:

Particulars	As At	As At
	31.03.2026	31.03.2025

Foreign Currency Risk Sensitivity

1% appreciation/depreciation of the respective foreign currencies with respect to the functional currency of the Company would result in an increase/decrease in the Company's profit before tax by a negligible amount for the year ended 31st March, 2026 and 31st March, 2025.

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Exposure to Interest Rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	Amount (Rs. in Lakhs)	
	2025-26	2024-25

A change of 50 bps in interest rate would have following impact on Profit before tax

Particulars	Amount (Rs. in Lakhs)	
	31.03.2026	31.03.2025
50 bps increase would decrease the profit before tax by	-20	-18
50 bps decrease would increase the profit before tax by	20	18

(iii) Investment Risk

The company is exposed to equity price risk arising from equity investments.

The company manages equity price risk by investing in fixed deposits/Fixed Maturity Plans. The company does not actively trade equity investments. Protection principle is given high priority by limiting company's investments to fixed deposits/ Fixed Maturity plans only.

Liquidity Risk

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and deposits to meet the obligations as and when fall due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

49 SIGNIFICANT ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE RESTATED FINANCIAL STATEMENTS

1 Corporate Information

Uma Converter Limited (Formerly known as Uma Converter Private Limited (the "Company") is a public limited company domiciled in India and was incorporated on 18th July, 1999 under the provisions of the Companies Act, 1956 applicable in India. Its registered office is located at Block No. 868, Vill. Santej, Ta. Kalol, Dist. Gandhinagar (Gujarat). The Company is primarily engaged in the business of manufacturing and trading of flexible packaging materials.

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of the Financial Statements. These policies have been consistently applied to all the years/period presented, unless otherwise stated.

(a) Basis of Preparation of Restated Financial Statements

(i) Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Basis of measurement

The Financial Statements have been prepared on a historical cost convention on accrual basis, except certain financial assets and liabilities measured at fair value.

(iii) Current and non current classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act.

(iv) Use of estimates

The preparation of Financial Statements in conformity with Ind AS requires the management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosure of contingent liabilities as at the Balance sheet date. The estimates and the assumptions used in the accompanying financial statements are based upon the management evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumption are reviewed on periodic basis. Revision to accounting estimates, if any, are recognised in the year in which the estimates are revised and in any future years affected.

(b) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is depreciated when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work in progress'

Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2019 measured as per the Indian GAAP and used that carrying value as a deemed cost of property, plant & equipment.

Depreciation methods, estimated useful lives

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are taken as prescribed useful lives under Schedule II to the Companies Act, 2013. The management believes that such estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of Profit & Loss under other income/ Other expenses.

(c) Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

(d) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustments to the borrowing cost.

(e) Foreign Currency Transactions

(i) Functional and presentation currency

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Financial Statements are presented in Indian rupee (INR), which is the

(ii) Transactions and balances

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and the settlement date are recognised in the Statement of Profit & Loss. All monetary assets and liabilities in foreign currencies are restated at the year end at the exchange rate prevailing at the year end and the exchange differences are recognised in the Statement of Profit & Loss.

Non monetary items that are measured in the terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(f) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

(i) Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction cost of financial asset carried at fair value through profit or loss are expensed in Profit and Loss.

(ii) **Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(iii) **Impairment of financial assets**

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) **Derecognition of financial assets**

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Financial liabilities

(i) **Recognition and measurement**

Financial liabilities are classified as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate. The measurement of financial liabilities depends on their classification, as described below:

(ii) **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition interest-bearing loans and borrowings are subsequently measured at amortized cost. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized.

(iii) **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance cost.

(g) **Revenue Recognition**

The company derives revenues primarily from sale of manufactured goods, traded goods and job work.

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of trade allowances, rebates and amounts collected on behalf of third parties and is not recognised in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognised on reasonable certainty of collection.

Sale of products:

Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale. Revenue from sales is based on the price specified in the sales contracts, net of trade discounts, returns and goods & service tax at the time of sale.

(h) **Taxes**

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

(a) Current income tax Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the relevant prevailing tax laws. Tax expenses relating to the items in profit & loss account shall be treated as current tax as part of profit and loss and those relating to items in other comprehensive income shall be recognised as part of OCI.
(b) Deferred tax Deferred income tax is recognised for all the temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in Financial Statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.
(i) Assets classified as held for sale The Company classifies non-current assets (or disposal group) as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Non-current assets (or disposal group) held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities (or disposal group) classified as held for sale are presented separately in the balance sheet. Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.
(j) Leases Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the lease period except where another systematic basis is more representative of time pattern in which economic benefits from leased assets. In case of financial lease, the payment of rentals is recognised as an expense in the Statement of Profit & Loss
(k) Inventories Valuation of Inventories and costs incurred in bringing each product to its present location and condition are accounted for as follows: Raw materials, finished goods, semi finished goods, trading goods and stores and spare parts are valued at lower of cost and net realizable value. Cost includes purchase price, (excluding taxes those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and conditions. Scrap and wastages are stated at net realisable value. In determining the cost, FIFO method is used.
(l) Impairment of assets The carrying value of assets / cash generating units at the Balance Sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised for such excess amount.
(m) Provisions and contingent liabilities Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.
(n) Cash and cash equivalents Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and short term deposits.
(o) Employee Benefits (i) Short-term obligations Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognized in respect of employees' services up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) **Other long-term employee benefit obligations**

-- Defined contribution plan

Provident Fund:

Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

-- Defined benefit plans

Gratuity:

The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The company's liability is actuarially valued at the end of each year. Actuarial losses / gains are recognised in the " other comprehensive income" in the year in which they arise.

(p) **Earnings Per Share**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earning per share is the net profit or loss for the year after deducting preference dividend and any attributable tax thereto for the year, if any. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than conversion of potential equity shares, that have changed the number of

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity share holders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

(q) **Government grants**

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all the attached conditions. All government grants are initially recognised by way of setting up as deferred income. Government grants relating to income are recognised in the profit & loss account. Government grants relating to purchase of property, plant & equipment are subsequently recognised in profit & loss on a systematic basis over the expected life of the related depreciable assets. Grants recognised in Profit & Loss as above are presented within other income.

(r) **Inter divisional transactions**

Inter divisional transactions are eliminated as contra items. Any unrealised profits on unsold stocks on account of inter divisional transactions is eliminated while valuing the inventory.

3 **Significant accounting judgments, estimates and assumptions**

The preparation of Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years. in Lakhs

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) **Taxes**

Significant assumptions and judgements are involved in determining the provision for tax based on tax enactments, relevant judicial pronouncements including an estimation of the likely outcome of any open tax assessments/ litigations. Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available, based on estimates thereof.

(ii) **Defined benefit plans (gratuity benefits)**

The cost of the defined benefit plans such as gratuity are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.
